

Petchrat Potisan

Radiological Technologist Student

INTERNSHIP EXPERIENCE

Intern in

Diagnostic Radiology Department

2 0 2 3

30 days

- * General Radiography in **King chulalongkorn memorial Hospital**
- * General Radiography in **Veterans General Hospital**

Intern in

Diagnostic Radiology Department

2 0 2 4

30 days

- * Special Radiography in **Siriraj Hospital**

Intern in

Nuclear Medicine Department

2 0 2 4

30 days

- * In **Maharaj Nakhon Si Thammarat**

Intern in

Radiotherapy Department

2 0 2 4

40 days

- * In **Ramathibodi Hospital**

Intern in

Intervention Radiology Department

2 0 2 5

20 days

- * In **Somdech Phra Pinklao Hospital**

EDUCATION

Navamindradhiraj University

- * Faculty of Medicine Vajira Hospital, Bachelor of Science Program in Radiologic Technology
- * Research Project : Evaluation of the Performance of Artificial Intelligence in Screening Abnormal Bone Scans in Nuclear Medicine Compared to Radiologist's Interpretations
- * GPA 3.55

SKILLS

- * **Technical Skills** – PACS, RIS, DICOM, ALARA principles, Radiation Safety
- * **Clinical Skills** – General Radiography
- * **Soft Skills** – Teamwork, Patient communication, Attention to detail, Problem-solving
- * **Language** – English (Intermediate)

TRAINING

- * Fire Prevention, Suppression, and Evacuation Drill Training
- * Safe Patient Lifting and Moving Training
