Through my family business, I've gained valuable experience in real estate, including updating property data, analyzing market trends, negotiating renovations, preparing leases, and closing deals with agencies. I excel at building relationships, consistently delivering excellent customer service.

ENVIRONMENT SERVICE OFFICER 2023 - 2025

MED PARK HOSPITAL

Managed day-to-day operations of a 2-floor ward, ensuring top-notch patient care and cleanliness. Supervised housekeeping, maintained stock of amenities, and coordinated with technicians to keep systems running smoothly. Collaborated with nursing staff to enhance patient care and satisfaction, particularly focusing on foreign patients, resulting in consistently positive feedback and increased satisfaction.

BUILDING MANAGEMENT TRAINEE 2022

LAKE GREEN CONDOMINIUM

As a Building Management Trainee (April to September 2022), I gained experience in meeting tenants' and owners' needs, coordinating with teams, and reporting to the Building Manager. I organized the Annual General Meeting, welcomed guests, and conducted daily facility checks, sharpening my communication, coordination, and attention to detail in delivering exceptional customer service.

ONLINE BUSINESS 2019 - 2020

My sister and I launched "Sister & Me" and the brand "Jean Paul" to market boutique jewelry for modern women. We handled marketing, administration, and management tasks, including creating a Facebook page, running ads, designing packaging, setting pricing strategies, and analyzing customer behavior. The Covid-19 pandemic temporarily halted this venture.
